

Jennifer Garcia

Heart of the Hawk

The Heart of the Hawk Award is presented each month by this Board of Trustees. We receive nominations by district and school employees, as well as community members, to nominate candidates who embody Teamwork and Leadership, Creativity and Innovation, Commitment and Dependability and Community Service Activity.

This month, the Colusa Unified School Board of Trustees would like to recognize Jennifer Garcia as our Heart of the Hawk.

Jennifer Garcia is our first student board representative. She is studious and prepared, and her CHS reports are very informative. We can tell that she takes the time to organize her thoughts, and carefully reflects on each month to make sure she is providing key information to board members. She takes her role seriously. In addition, Jennifer is not afraid to share her opinion. I know our board members value her perspective value much. We are deeply impressed by her commitment to our district, and we want to take this time to thank her.
