

Jerry Davies Heart of the Hawk

Jerry possesses a passion and deep love for Colusa. He places energy in keeping our alumni connected to Colusa High School. His leadership and dedication are evident by all who interact with him.

The alumni association yearly newsletter is completed with integrity. The donations are organized in a fashion that honors those who contribute in their effort to provide current students with rich experiences.

Jerry is a tremendous asset to our community.

He is humble in all of his efforts, constantly giving praise to others who support the alumni efforts. It is my honor to present Jerry Davies with the Heart of the Hawk Award.
