

Seyah Baird

Heart of the Hawk

Seyah Baird has been a remarkable asset to Burchfield Primary School.

She has served on site-council for the last 2 years, President of the Parent Club, has organized the Fall Festival for many years, and volunteered at many Parent Club activities over the years.

Seyah has put in a tremendous amount of time organizing, volunteering, and looking out for all of the students at BPS. She truly exemplifies the Heart of the Hawk.
