

Alisha Kaye

Heart of the Hawk

As the school year began, I underwent some major health events. Mrs. Kaye stepped up to assist my long-term sub in figuring out the direction for my class.

She wrote sub plans, assisted in grading and uploaded assignments into Google Classroom.

All of these things made my absence less stressful for me, and instruction much more consistent for my students.

Mrs. Kaye is selfless and dedicated to the success of all of the students in the school district. She is an excellent friend and a dedicated teacher.

I am lucky to have her in my corner.
