

Stephanie Stever

Heart of the Hawk

Stephanie has been an incredible resource to our graduating class of Seniors this past year. I have had the pleasure of watching her support, guide and dedicate herself to all of their individual needs.

Stephanie has supported her students throughout the entire year as they navigated senior project and their final year of high school.

Her dedication, organization and enthusiasm has been unwavering. She has embodied what it means to be a dedicated educator and has shown our students true compassion while providing them with the foundation they will need to be successful in their future goals and plans.

I believe Stephanie Stever has shown herself to be a true RedHawk and is incredibly deserving of this award for her dedication to our students and her willingness to help our staff as well. Thank you for all you do, it does not go unnoticed.
